- (h) Use will begin about Jan. 1 and end about Dec. 31, of each year.
Month Month
- (i) Remarks _____

DESCRIPTION OF PROPOSED WORKS

Water to be diverted from Hazen Slough by means of an earth fill

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water dam which will feed a series of constructed ponds.

is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

5. Estimated cost of works \$6000.00

6. Estimated time required to construct works

The applicants herein named are filing this application, as be-

7. Remarks fore stated, for recreational purposes. In so doing they have constructed a series of ponds, ^{for use of public} the entire indicated section, with the exception of the S.P.R.R. rights of way, and organized a duck club. The intent being that the water applied for will be used to supply water to the aforementioned ponds. They are fully aware of the fact that the primary source of their water is from drainage area and that no recourse is available to the applicants should the prime source be curtailed. They are, however, anxious to be protected from the possibility of further appropriation on the indicated slough that would deprive them of the available water.
